ANDRE ALRIDGE

PERFORMANCE DJ & ENTERTAINER

ABOUT

With over 15 years of experience as a Performance DJ & Entertainer, I've had the pleasure of entertaining audiences at a range of events, including everything from large-scale corporate galas, high-level brand activations, private engagements and retail launches to opening for legendary musical acts like Nelly, Ludacris, Ice Cube, Boyz II Men, Jon Pardi, Tiesto, Logic, Lee Brice, Fabolous, Brett Young, Pitbull, Paula Abdul, The Blues Brothers, The Chippendales Tour and even comedian Nick Offerman.

Triple A Sounds specializes in mixing various genres and adapting my style to cater to your client's requests and most importantly, the listener's taste, to ensure that every guest leaves having heard something they love.
